Internship

Prodigy InfoTech Intern

June 2024 - July 2024

Data Analyst at Data-Slice Project intern

- **About:** Completed a Data Analyst Internship at Prodigy InfoTech, where I gained hands-on experience in data analytics, focusing on transforming raw data into actionable insights to support business decisions.
- **Project Overview:** Developed an interactive dashboard for a pizza sales dataset, which included comprehensive metrics such as company staff performance, profit and loss analysis, and ingredient breakdowns. Used visualization techniques and data modeling to display key insights through various graphs, supporting effective decision-making for management.

Tech stacks used: Python, Power BI, MySQL(DBMS), Excel

Internship Certification URL: sahil.prodigy.infotech-intern

Projects

Travela - Travel Destination Guide | HTML and CSS , Responsive Web Developer

October 2024

- Developed **Travela**, a comprehensive travel destination guide website, as part of a college project. Designed responsive layouts using **HTML5, CSS, and JavaScript** to ensure accessibility across various devices.
- Built pages with detailed travel information, including destination descriptions, local attractions, and travel tips. Utilized **Google Maps API** to offer users an interactive map
